top 10

things you
need to
know about
camp

1. **Campers can register online this year** or print the paper form from our website under the Summer Camp tab. Campers may attend as many weeks as they are eligible to attend.
2. The **cost** for your week of camp includes the camp program, lodging, 14 hot meals, 8x10 picture, & camp T-shirt. Extra money is needed to pay for canteen debit accounts (cash not accepted at canteen) during Sunday Registration and for daily missions offering.
3. **Early bird discounts:** Save \$20 (on full weeks) if you register online before April 12, 2011, Save \$10 if you register before May 10, 2011. Register for all 3 day camps and save \$30, basically the 3rd one is FREE if you sign up for them all!
4. **Pre-register online this year.** Campers who register by May 12, 2011 will be eligible for Express line check-in for camp. Our capacity is 125 campers, so register early!
5. **NEW: Registration is now 4:00 pm to 5:00 pm.** Dorms will not open until 4:00 p.m. and you must register before our staff can allow you into the dorms.
6. **Walk ons:** Max number of campers per week is 125! Starting at 5:00 p.m. you can register as there is room. If camp's fill up before dates, a waiting list will be started.
7. **Pickup times:** 12:00 p.m. on Wed. for half weeks & 12:00 p.m. Friday for full weeks
8. **Mail:** You may send mail to your camper, but please no phone calls or emails. Please send mail early in your child's week to guarantee delivery before they leave. Also this year eCamp allows you to email your child if you buy credits when you register online.
9. **Visitor Policy:** HMCA encourages visitors to be the exception rather than the rule during camp. They cause major distractions to campers and most times cause more harm than good. If you must visit, for the safety of all our campers, please follow the camp visitor policy and sign in at the office.
10. **Volunteer counselors** register online under our Summer Camp tab on the website. This application allows our deans to plan ahead and grants us permission to do national criminal background checks before you can work with our campers.
